At **Jeelife**, we understand that each business has its own specific goals and requirements, and we work closely with our clients to ensure that their marketing strategies are aligned with their overall business objectives. We take pride in delivering exceptional customer service, and our clients can always count on us to be there for them every step of the way.

OUR SERVICES

Vehicle Branding

Local public transport vehicle Advertising (e.g. Auto Rikshaw, three Wheeler, Bus, etc.) is one of the most effective, successful, advertising platforms. That is the most effective method of reaching people. Branding through the same would help you improve sales and it's also in ensures maximum visibility for your brand.

Look Walkers Advertisement

Look walker campaign is a professional way of promoting your business by making the look walkers wear the boards and move about in different types of events like store and product launches, sales and movie promotions, roadshows, and buzz marketing

Canter Advertising

Canter activity catches a lot of attention as the advertisement has huge font and picture. Canter activity also helps in promotion of goods as they can carry them. We also provide the Tricycle rickshaw advertising. It is termed as low budget and eco-friendly way of promoting your product & services.

Scanning & Digitisation

Converting paper-based physical documents, images, and records into digital formats reduces physical storage needs, improves accessibility, and enables faster document management.

Shop Branding Advertising

It Improves customer loyalty, Positive word of mouth marketing, higher advertising effectiveness on customer to your brand

Glow Sign Board & Flange

Promoting your brand and services by having a distinctive and polished appearance, glow sign boards & Flange can attract customers' attention. You can market your products and services by using the right signage & LED to reach the target market using professional and fashionable sign boards & Flange.

Brand T Shirts with Print

Making company t-shirts gives you the chance to not only develop a brand logo, but create a lot of brand awareness. You might start to find customers that wouldn't have thought of you otherwise just because they saw your t-shirt, liked it, and sought your business out.

Leaflets Printing and Distribution

leaflets are able to help you land the right messages with the right audience. When distributing your leaflets, they are able to encourage your customers and clients to get in touch about subjects related to the leaflet

Stickers & Packaging Advertisement

We provide paper labels, shape-plastic / transparent / non-tearable stickers, shape-cut vinyl stickers, 3D embossed decals, night-glow prints, etc. We supply digitally printed stickers and labels having exquisite print quality.

Facade Advertising

We specialize in offering a wide range of Facade Advertising Services. Offered ranges of advertising services are timely completed and executed using high technology and rendered according to the client's needs.

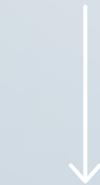

ACP Board

We are offering 3D LED Signage to our clients. Our business has accomplished to shape a niche in the marketplace for presenting a wide spectrum of LED ACP/Sign Board with excellent quality.
